

DIAGONAL SLICE PLACEMAT

Eight coordinating 5" squares
2 strips – 3 ½" x 12 ½"
Backing, batting and binding

Make two four-patch blocks from the 5" squares. Press.

Optional: Place the two four-patches RST and sew around all four sides in ¼" seam.

Slice each four-patch (or the seamed together pair of four-patches) twice diagonally from corner to corner. Press seams. Lay out centre block as in the picture and sew together. Add a 3 ½" strip to each side. Layer, quilt and bind.
