

## DOTS AND NINES

30 assorted squares @ 2 ½" x 2 ½"

Background for block borders (from 2 ½" strips – 1 ½ x WOF):

Cut six @ 2 ½" x 2 ½" and six @ 2 ½" x 6 ½"

Select three squares for the centres of the three bordered blocks. To border a block, first add two background squares to opposite sides of the centre square.

Add the 6 ½" border strips to the 6 ½" sides of the unit just completed. Make 3.

With the remaining 27 squares, make 3 nine-patch blocks.

Lay out as pictured. Layer, quilt, add label and bind.
