

LILY PAD

Fabric: (18) assorted 3 ½" squares

Background: (6) 3 ½" squares and (24) 2" squares

Mark a diagonal line on the wrong side of each of the 2" squares. Add them to two adjacent corners of 12 of the assorted squares by sewing across the marked lines and cutting off the excess underneath. Using the picture as a guide, lay out the units, then sew together. Layer, quilt, add label and bind.
