

MINI CHARM BARGELLO

Fabric: (24) assorted 2 ½" squares

Background: 2 strips, 2 ½" by WOF cut into (2) 19 ½" lengths and (4) 8" lengths

Sew together four rows, each from six 2 ½" squares. Using one 2 ½" x 8" piece for each row, connect it to the two short ends of the assembled squares, making a tube.

Lay out your four assembled units and decide where to cut each of the background strips so that the strips will be offset. No need to match seams! Sew the four units together lengthwise, then add a 19 ½" background strip to the top and bottom. Trim width to 18 ½". Layer, quilt, add label & bind.
