

Butterfly Quilt

Materials needed:

11 white 3.5 inch squares

8 coloured 4 inch squares } make 1/2 square triangles from these

8 white 4 inch squares } squares. Square up to 3.5 inches.

48 coloured 3.5 inch squares

6 green 3.5 inch squares for the body of the butterfly

Follow the layout of the picture for placement.

Add a border to increase the size if you wish.

This is a picture off the internet and I used my own measurement of the squares to make the quilt the size I wanted it. You could use any size of square to make this larger.

I used children's fabric but any fabric will work.
I added a 2.5 inch border to mine and it finished at 32 x 32.
