

FRAMED

Background: Cut center @ $6\frac{1}{2}'' \times 13''$
Outer border – Cut two @ $2'' \times 16''$ and two at $2'' \times 12\frac{1}{2}''$

Join the diagonally pieced strips together to make one long strip. Cut two $13''$ lengths and sew on the top and bottom of the center piece. Cut two lengths of the pieced frame the measurement of the sides of the unit just made ($9\frac{1}{2}''$) and sew on opposite sides to complete the frame. Add the top and bottom background outer borders, then the side borders. Layer, quilt, add label and bind.
