

## GOSLINGS

Background: 18 coordinating 6 ½" x 2 ½" strips

Geese: 24 coordinating 2" squares

Mark a line diagonally across the wrong side of each of the squares.  
Position squares RST on the corners of the strips as pictured, being careful of the orientation. Sew on the marked lines. Trim excess corner fabric from underneath. For ease of assembly, press the seams on the middle pieces in the opposite direction of the ones on the outer pieces (i.e. towards vs. away from the corner). Lay out and sew together as pictured. Layer, quilt, add label and bind.
