

HALF LOG CABIN PLACEMAT

From assorted 2 ½" strips, cut:

Light: Cut one segment each @ 2 ½", 4 ½", 6 ½", 8 ½", 10 ½" & 12 ½" length

Dark: Cut three segments 12 ½" long, and one each @ 2 ½", 4 ½", 6 ½", 8 ½", 10 ½"

Following the picture, start by seaming the two 2 ½" squares together. Then add the 4 ½" light strip on top, followed by the 4 ½" dark strip on the side. Continue in this manner until all strips are assembled. Layer, quilt, add label and bind.
