

MITRED CAKE

(2) 10" squares, each cut into (2) 5" x 10" units.

(2) border strips 2 ½" x 18"

Make 2 units by sewing together pairs of contrasting 5" x 10" pieces on the long edge. Square to 9 ½" x 9 ½". Place the two 9 ½" units RST with opposite colours facing. Draw a line diagonally across the unit and stitch ¼" each side of the line. Cut apart on the line to make two squares. Sew together as in the picture. Add top and bottom border strips. Layer, quilt, add label and bind.
