

STAR IN THE CENTRE

Materials: Twelve 4 ½" squares, eight 2 ½" squares. Kits are partially assembled.

Using the photo as a guide, lay out the pieces, adding any missing corner triangles using the 2 ½" squares provided. (Mark a diagonal line on the wrong side of the square, position right sides together on the appropriate corner of the larger piece, stitch on the line and trim the seam allowance.) Assemble. Trim sides equally so that the placemat measures 18 (or 18 ½" wide). Layer, quilt and bind.
