

GOING GREEN

(6) 4 ½" x 8 ½" rectangles

(3) 4 ½" x 2 ½" rectangles

CONTRAST: (14) matching 2 ½" squares

Mark a diagonal line on the wrong side of each of the 2 ½" squares. Using the picture as a guide, add opposite corner triangles to **one** of the 2 ½" x 4 ½" pieces by positioning a square RST on each of the appropriate corners of the larger piece and stitching on the lines. Press squares WST on stitching line and trim excess triangle from underneath. In the same manner, add corner triangles to all 4 corners of **two** of the large pieces, and then one corner triangle to each of the other large pieces. Be sure you add them to the correct corners! Refer to the picture as a guide. All four will be sewn in the same position. Assemble according to the picture. Layer, quilt, add label and bind.
