(15) 3" x 7" rectangles. Cut two in half to make (4) 3" x 3 ½" rectangles.

NOTE: This placemat finishes at 13" x 19 ½".

Lay out as pictured, with the small rectangles on the ends of rows 2 and 4. Sew together, aligning the seams with the centres of the rectangles in the adjacent rows. Trim side edges even. Layer, quilt, add label and bind.
