

## PENNANTS

- (6) 4" squares of assorted print fabrics
- (6) 4" squares or background fabric
- (1) 6 ½" x 18 ½" piece of focus fabric

Mark a diagonal line on each background square. Pair background and print 4" squares right sides together. Make 16 half-square triangles (HSTs) by sewing ¼" each side of the marked line, cutting on the line and then squaring up to 3 ½". Assemble two rows of HSTs as pictured. Sew to top and bottom of centre focus fabric. Layer, quilt, add label and bind.
