Fabric A: (2) 6 ½" x 3 ½" rectangles PLUS (8) 3 ½" x 3 ½" squares

Fabric B: (8) 6 ½" x 3 ½" rectangles

Mark diagonal lines on the (8) 3 ½" squares. Position two squares on opposite corners of the centre square, RST. Sew on the marked lines and trim excess from underneath. Repeat for two remaining corners. In the same way, sew a square to ONE corner of (2) of the fabric B rectangles. Repeat to make MIRROR IMAGE units with two more fabric B rectangles. (Check the picture to be sure you are correct.) Lay out with remaining pieces as pictured and sew together. Layer, quilt, add label and bind.
